opinion I am not satisfied that a case has been made out for the permanent increase of the establishment as recommended.

5. If the grant for temporary staff has been nearly exhausted this year before the work connected with the last exhibition has ~~cot~~ closed Mr K might be permitted to utilise about 200 Rs out of the ~~grant~~ provision for Bonus to Industrial School Staff towards cost of temporary establishment.

6. Certain changes are in contemplation about the management of the exhibition & the question of estt. may also be considered in that connection.

Dear Sir,

I have to bring to the notice of Government the urgent necessity that exists for revising and strengthening the Exhibition Office staff to bring it to the requirements of the work that is expected of it since it is at present under-manned. Year after year over 2000 files have to be worked up under high pressure and detailed accounts have to be compiled under different heads for sums amounting to Rs.30,000/- and more. The present establishment which consists of one Accountant on Rs.40-5-50, one clerk on Rs.30-3-40 and one Typist on Rs.15/- per mensem, is quite inadequate for the work to be done. The experiment of employing men on Rs.15/- & 20/- for 3 or 4 months just to keep within the budget allotment,has been tried for some years now and I find that the work turned out by such hands is,naturally not up to the mark. I applied for Rs.450/- for temporary establishment when I sent up the Budget and Government were pleased to sanction only Rs.354/-. The amount remaining unspent out of this on 1st November 1913 is only Rs.84/- which is not enough to keep on the establishment even for a month more. The bulk of the work which remains

remains to be done consequently falls to the share of the small permanent staff. From my five years' experience as President of the Exhibition, I am convinced of the necessity of the following establishment for the Exhibition Office if efficiency, prompt work, &c., have to be maintained.-

One Manager.	Rs.70-0-0
One Accountant.	35-5-50.
One Clerk.	30-5-40
One Store Keeper.	25-0-0
One Record Keeper.	20-0-0
One Typist.	20-0-0
One Despatcher.	15-0-0.
One Duffedar.	9-0-0
Three Peons on Rs.7/-each.	21-0-0.
Total.	253-0-0

The amount of pay now being disbursed to the permanent staff is Rs.119/- including menial establishment. The balance required per mensem to give the above proposed figure is Rs.134/- or -- Rs.938/- for seven months up to the close of the official year. Rs. 350/- sanctioned under the Budget head " Bonus for the Industrial School staff" is wholly available as they did not render any services this year. I would therefore request Government to sanction very early an additional allotment of Rs.588/- or in round figures Rs.600/- for the employment of the above proposed staff temporarily till the end of this Official year. The ---

The necessary provision for making this staff permanent may be included in the next year's Budget. This arrangement will obviate the necessity for employing any temporary clerks or servants provisions under which heads may be omitted in future - budgets. For the efficient conduct of work, I solicit early - sanction of Government for appointing Accountant S.G.Bindu Rav, who has worked most efficiently during the last 8 Exhibitions, as Manager and for retaining one of the intelligent District - Clerks who has come here on special duty & who has qualified - himself by passing the Account Higher examination and appointing him to act as Accountant of this Office . Trusting that the above proposals will commend themselves to Government and urging once more the absolute necessity that exists for their being - sanctioned very early

I remain,

Yours Sincerely,

To.
